# Choosing an Activity

## Who does Activities?

All Prep school pupils must be signed into an activity from the start of term, unless they are being collected at 4.30pm. They will choose one activity each day, which runs from 4.40-5.15pm and will then go to prep. Pupils in Years 3-5 may be collected before prep at 5.15pm. If you plan to regularly pick up your child at 4.30pm or 5.15pm then please add that as an activity for that day when completing your activity choices on misocs (see below).

## Invitation Only Activities

Some pupils will be invited to specific activities because they are required to do them for scholarships or similar reasons. If this applies to your child the relevant teacher will contact you to discuss this with you. If you are unsure whether your child should be attending a scholarship group, please email [whsoffice@windlesham.com](mailto:whsoffice@windlesham.com) who will direct your email accordingly.

## Popular Choices

Some activities, such as multisports and code club, are extremely popular and sometimes over subscribed. Whilst we would like to simply offer more of these sessions or allow everyone who wants to join to do so, it isn't always possible due to the availability of staff or venues for these activities. In such cases, we may have to ask pupils to choose an alternative activity. Where this is the case we will ensure that they are able to attend the club the next term or on an alternative day.

## How to sign up for an activity

To sign up for an activity please login to [www.misocs.com](http://www.misocs.com) during the sign up window of A 'how to' guide to signing in to misocs for the first time is available here: <https://bit.ly/2PqcvIC> NB we will now be signing up for both paid and unpaid activities in misocs.

## What's on Offer?

All activities are at 4.40pm unless otherwise stated. Activities with '£' are chargeable, please see additional information below. An asterisk (\*) denotes activities that are by invitation only. Descriptions of the activities are provided in the next section. Please note that clubs are subject to change due to numbers of pupils attending, changes in staff availability etc.

If you require any further information about these activities or the process of choosing activities please do not hesitate to contact [sedwards@windlesham.com](mailto:sedwards@windlesham.com) or [aevans@windlesham.com](mailto:aevans@windlesham.com).

## Activities Descriptions

Activities are listed alphabetically below. Where activities show that they are for Year 3 - 8 they will be divided according to the year group as per the timetable above.

For details of paid activities and how to book see the section on [Paid Activities by clicking here](#).

### Active Activities, Year 3-6

This is a chance to wind down and have fun at the end of the day. When the weather is fine, pupils will play games outside. They might play on the adventure playground or have a go at table tennis. When the weather is wet pupils will move inside and play table tennis and other active, indoor games. Location: outside.

### Airfix modeling, Year 6

Building Airfix models (<https://uk.airfix.com/>).

### Art

In the art activity pupils are encouraged to develop their creative skills using a range of media.

### Atom Learning

This will be a session for pupils to use the Atom Learning programme with support from staff. In addition there will be other elements of future school preparation when required such as interview practice, reading and talking about books.

### Book Club

We will select a fabulous novel to read during the term and have a lovely, cosy discussion about the chapters we have read each week in the library.

### Bracelet Making, Year 3-6

Pupils will learn how to use the different techniques of macrame to make bracelets and keyrings, etc..

### **Code Club, Year 5**

Join us at Code Club for lots of fun activities. Over the term, you will learn how to make cool games, animations, and websites too! Capacity 12 pupils. Location: The Hub

### **Comic Club**

This club is for anyone who enjoys writing stories or making comics, or who wants to improve their writing skills and punctuation. Run by Mrs Marchant, it's a fun club with a serious aim - to nurture a love of English. Location: Junior Wing

### **Drawing, Colouring, Reading**

A relaxing, quiet session in which pupils can wind down from the week and enjoy some mindful colouring or quiet reading.

### **Early Prep**

This session is for anyone who cannot attend the usual prep session due to paid activities or because they are going home at 5.15pm. Pupils are encouraged to only attend this session if they cannot attend the next session. However, some pupils may feel the need to do one or two extra sessions of prep each week. If this is the case please discuss this with your child's form teacher.

### **Eco Shop, Year 7 and 8**

Year 7 and 8 pupils will plan and develop an eco shop including a refill station to reduce plastic packaging. The group will create a name, business plan, decide what to sell and how to sell it. They will ultimately create an online presence as well as a physical shop in the grounds of Windlesham School.

### **First Lego League, Year 8**

The FIRST® LEGO® League is a challenge which will require you to design, build and program robots, design solutions to solve problems and compete in a competition. Capacity 10 pupils. Location: The Hub

### **French**

This is a course for Year 6 and 7 pupils who would like to study French as a second foreign language (for those who have selected Spanish as their main timetabled language).

### **Game Designer, Year 7**

Game Designer Club will teach you to code advanced games, and learn some html and CSS, You will acquire a fuller picture of game levels and customisation and have some fun doing so. Capacity 10 pupils. Location: The Hub

### **Junior Eco Club, Year 3-6**

We will be engaging in a range of eco activities such as making bird feeders, feeding the chickens, planting seeds, watering the vegetable patches, cutting flowers for the front hall, bird watching, litter picking and recycling.

### **Junior Tech Fun, Year 3 and 4**

Tech fun is an opportunity for you to work on a range of fun projects with technology. We will be making simple SCRATCH Games, Stop motion animation and lots more. Capacity 12 pupils.  
Location: The Hub

### **Just Dance**

A fun dance session following routines on Just Dance. It provides an opportunity to have fun while exercising and improving gross motor skills.

### **Marketing Club (Year 8)**

Activities will include photography, filming and editing, writing about school activities and events (for website/newsletters etc).

### **Multisports**

Pupils will play a variety of games such as Kwik Cricket, netball, touch rugby, dodgeball and hockey. The sport will change each week and will enable pupils to develop a range of sporting skills as well as improving general fitness. Groups will be based on year group and ability.

### **Outdoor club**

This club provides pupils with the opportunity to enjoy the great outdoors within the fantastic Windlesham site. They will go for short walks, play in the woods, undertake eco-projects. The activities will change depending on the weather and size of the group. Sessions are divided by year group e.g. Year 3-5, Year 6, Year 7 and Year 8.

### **Panto**

Workshops, planning and performing a pantomime.

### **Reading Club**

A time for reading a book of your choice with some company to chat about your books and create some book recommendations to share with others.

### **Running**

Just as it says, this is a running club for those who enjoy running. The member of staff will give advice such as running technique.

### **Spanish**

This is a course for Year 6 and 7 pupils who would like to study Spanish as a second foreign language (for those who have selected French as their main timetabled language).

### **STEAM Club, Year 6**

Year 6 STEAM Club will provide a range of opportunities to explore subjects like science, technology, engineering, maths and coding through fun challenges. Capacity 12 pupils.  
Location: The Hub

### **Textiles and Graphic Textiles**

The textiles department will lead a number of enriching activities including making such things as T-shirts, bags, pillowcases, mouse mat designing and printing.

## Paid Activities

### How to book a paid activity?

At the start of the year you will need to sign up for all paid activities, however after that if your child already participated in an activity last term then they will roll over unless you inform the school otherwise.

Sign up for all paid activities is through misocs. (Please do not use this form for Musical Instrument Lessons/Languages, these must be booked separately. Contact [whsoffice@windlesham.com](mailto:whsoffice@windlesham.com) for details).

The activities run for the entire term, commencing in the first full week back. It is important that the sign up is completed before the start of term. After this date a place cannot be guaranteed. Please discuss the choices with your children, and make them aware of their responsibility to attend the sessions, we will do our utmost to ensure that they do.

### Cancelling a paid activity

Once your child is signed up, activities roll over each term during the year, unless you advise us otherwise by the end of the previous term.

### LAMDA

In addition to the activities listed below, LAMDA lessons are available (a separate letter and contract details is available by request once you have signed up on misocs, as we see LAMDA as a long term commitment.)

#### Description

We use the services of Nicola Miles Theatre Studios in Worthing. The Principal, Nicola Miles, FISTD: Member RAD: DDE: Equity: has Choreographed and appeared in TV Productions and Theatre at the Connaught in Worthing and all over the country. She is lucky to have some of the best teachers along the South Coast, who are all highly qualified in their particular fields. At Windlesham they teach the RAD grades and vocational exam work. Classes will be held on Tuesdays and it is hoped to work towards an exam standard within those classes for those that wish to and who are ready (Ballet Exams commence at Grade 1 Level). Children also have the option to attend private coaching by arrangement and these lessons can be shared by several working at the same level. Exams will either be entered in NMTS exam sessions at The Warren at Worthing College or a session nearby (for details of these sessions please contact Stuart Edwards). The above Tuesday class timings will be dependent on numbers and experience. Any pupils requiring uniform for ballet or the Jazz/Tap classes please e mail [info@nmts.co.uk](mailto:info@nmts.co.uk) with your requirements and they will be waiting for you at the start of term and are supplied at very competitive prices. Parents are invited to view the classes at the end of the Christmas and Summer term. Please arrive in good time to be seated before each class commences.

Chess		Tuesday
Age Range Junior Senior	Time 4:30pm to 5:15pm 5:30pm to 6:15pm	Cost £55.00 per term
<p>Description</p> <p>Jonathan Tuck, the chess coaching manager for Sussex County Junior Chess, runs this activity. Mr Tuck is well-known - he teaches chess in many schools across the south of England and we are delighted that he will continue to offer coaching sessions at Windlesham. He has coached over 30 national players and this is a fantastic opportunity for children to be coached by an expert in this excellent mind-stretching game. The standard of chess has increased significantly at Windlesham and our successes have been phenomenal.</p> <p>We have several Windlesham children playing chess in county competitions and Windlesham now has a number of very competent players, representing area teams, and indeed at national level. Our School teams will be selected mainly from this group and we will be running chess competitions in school this year. Children will be able to play chess in their free time, but the main focus during these sessions will be on learning techniques and strategies. Mr Tuck is keen to coach children of all academic abilities, including children with learning difficulties, who will all gain much from this discipline.</p>

<p>Description</p> <p>Sharon Blackman is an experienced fencer and teacher and is currently coaching eight Sussex schools as well as running both Bognor and Chichester Fencing Clubs, the latter of which recently won the top club in Sussex award. Mrs Blackman has herself recently been recognised as the top coach by the local youth achievement's council. This is a fun, exciting and completely safe sport, and if children like the idea of sword fighting, they should give it a try. Children will be guided through the basics of "foil" and will work hard on techniques and fighting skills. There will be an opportunity to win a medal each term, and the more serious will be able to work towards the British Fencing Association achievement awards. Competitive fencers will be given every help and encouragement to participate in local, regional and, hopefully, national events. Fencing is a growing sport at Windlesham, give it a try.</p>

<p><b>Description</b></p> <p>Savio Aragona will again be offering classes in Shotokan Karate Do. He has been a student of Karate for many years and a Karate instructor for several years. He currently holds a 3rd Dan black belt and is affiliated to the SKKIGB. He is also a black belt Ju'jutsu instructor. Savio runs clubs for both adults and children and is popular with the children. Karate is a self-disciplined form of self-defence that helps with concentration and focus. It is good for fitness, muscle tone and co-ordination, making use of both sides of the brain. By the end of their first term, children should have achieved their first of ten grades, a red belt. Reaching the tenth, a black belt, may take at least five years! They will be taught simple blocking and counter attacks in the form of punching and kicking. The syllabus will be covered thoroughly, and, for their first grade, children will learn their first kata, a sequence of 26 moves. Karate is taught in a non-violent way and children will learn to defend themselves effectively. Last Year 4 of our children achieved Black Belts.</p>
<p><b>Equipment</b></p> <p>Karate suits are available at approx. £20 from the Sensai</p>

Riding		Monday
Age Range One session for all riders	Time 4.30pm – 7.00pm (45 minute lesson) Lessons are currently split into bubble groups.	Cost £35.00 per lesson
<p><b>Description</b> We offer an exciting riding opportunity, which we have established with the newly refurbished Cissbury Stables in Findon. <a href="http://www.thestablesatcissbury.com/">http://www.thestablesatcissbury.com/</a> Rebecca Hill and her team come highly recommended and with a wealth of experience offering the Pony Club Training programme in other local stables. The Stables at Cissbury is a fully accredited pony club centre, offering high standards of tuition on well-schooled ponies that are either ex competition ponies or still out on the circuit. It follows the pony club syllabus and aims to push the children through their exams and badge work activities. The first session will see the children assessed then put into groups according to ability, after this the sessions will alternate focus from flat work to jumping. Details of which can be found here <a href="http://www.pcuk.org/">http://www.pcuk.org/</a> . The sessions will require a commitment to the full term and sessions will be charged at a Maximum £35 per week. There will also be some other costs including Pony Club jumpers and registration fees for the programme once up and running. Details of which will be made available to those interested.</p>		
<p><b>Equipment</b> It is essential children have their own riding boots, hats, body protector, gloves and jodhpurs at school.</p>
