

Gems Activity Club Information

Gems Activity Club is an extremely popular part of our day. It is run by Donna Lander who is assisted by Sarah Harrison, Debbie Hunt, Jade Kelleway, Marie Kelleway, with Junior Teachers and Graduate Assistants. It is available to children in the Pre-Prep only.

Gems Activity Club runs each school day evening from 3.30pm-6.00pm. The Club can be used in two ways:

- for a snack and supervision between activity sessions when children can relax, get changed and be escorted to their chosen activity
- for childcare when children are able to choose from a wide choice of Gems Activity Club activities such as model making, Lego, crafting etc. until collected. Again, the children are provided with a snack and time to relax.

Children can be signed into Gems Activity Club on an ad hoc basis, but if you know in advance it is helpful for our planning. Please book your child in by either emailing gems@windlesham.com or telephoning the Pre Prep office on [01903 874748](tel:01903874748).

Charges: There is no charge for children who are not attending an activity and are collected from Gems Activity Club before 4pm. After this time, the following fees apply.

Session for children attending an activity: For those children who use Gems Activity Club on an evening when they attend an activity there will be a flat rate of £3.50 per session.

The team at Gems Activity Club will provide your child with a snack, assist the children in getting changed and chaperone them to and from the activity. The fee will cover parent collection up until 6pm.
