

Dear Parents/Guardians,

I hope this email finds you well and you are enjoying a safe and healthy break. We are very much looking forward to the beginning of the summer term which is undoubtedly one of the best times to be at Windlesham! We are welcoming a number of new children and families to Windlesham this term and we would like to wish you a happy and successful time with us.

End of Term Progress Reports

I hope you have had the opportunity to read through your child's progress report with them and go through the comments in preparation for the term ahead. A key part of children's successful progress is their understanding of how they can reflect on their learning and know where they need to improve. Should you have any questions regarding your child's progress report, please do not hesitate to contact the respective teachers who will be happy to offer support and guidance.

Dress Code and School kit

Please make sure that your child returns to school with the correct dress code and kit, having checked that it all fits and is fully named. Reuniting missing items is much easier when all clothing is named.

Please also ensure that your child returns to school with the correct stationery; this will be checked by form teachers during form time.

Activities and Pupil Planners

Ahead of term starting again, please go through your child's pupil planner with them, noting down their updated activities schedule and recording their reading over the break. New pupils will be issued with planners during the first morning of term. We are continuing to encourage the children to take full responsibility of their schedules and planners in an age appropriate manner and your support with this is greatly appreciated.

As always, please do not hesitate to contact me should you have any questions and continue to reach out to form teachers for all day to day matters regarding your child's school life.

I look forward to seeing you at the beginning of term.

Warmest regards,

Sutherland
