

25th August 2022

BY EMAIL

Dear Parents,

This year the HPV vaccination session in school for the year 8 **boys and girls** will take place on the 22nd September. This session is run by the NHS vaccination service and the date cannot be changed.

Attached to this email is a leaflet about the vaccination to be shared with your child and also a letter which contains information about the compulsory completion of the online consent form. The consent form must be completed **for all children** indicating that you give consent or withdraw consent. The form must be signed by a parent or by someone who has parental responsibility, it cannot be accepted with a guardian signature. The deadline for the completion of the consent form is 11.00am, 3 working days prior to the vaccine being given. **Please note, we cannot extend this deadline as it is governed by the NHS not the school.** If you miss the cut off time to complete the consent form, the NHS will not be able to vaccinate your child in school on the day of the vaccination session. The consent form will reopen one working day after the session, enabling you to submit a form for your child to be offered the vaccination at a later date, within one of the NHS catch up clinics.

If you have any queries or questions please contact the medical team by email at medicent@windlesham.com.

Best Wishes

Kate Hooper
