

March 2023

Dear Parents,

Re: Year 5 Survival Night

One of the most memorable nights for any Windlesham pupil is their Survival Night. The event is the culmination of two terms worth of preparation: learning to build shelters, making t-shirts and backpacks in textiles. The night itself will involve many challenges such as pitching camp, as well as a variety of other challenges and games.

We are excited to be able to offer the Year 5s their event on Thursday 25th and Friday 26th May, and therefore we require all children in the Year 5s (including Day Children) to be in school overnight on the Thursday evening, returning to normal school in time for first break on Friday before departing for half term at 12.15pm.

The children will not need any specialist equipment but will need:

- Bag to hold...
- Sleeping bag and roll mat
- Tracksuit (to sleep in)
- Wellingtons
- School waterproofs
- Warm Fleece
- Hat and Gloves
- Jeans
- Trainers/Tracksuit/Shorts if warm enough
- Toothbrush and Toothpaste
- Water bottle
- Torch
- Survival Night T shirt and Back Pack

If they do not have their own sleeping bag or roll mat then please get in touch as we do have some spares.

If you are the parent of a day child and they require any daily medication please can you drop it into the medical centre on Thursday morning with clear instructions. Please do not pack medication with your child's bag.

If you have any further queries or concerns then please do not hesitate to get in touch with either of us. On Thursday morning, children should come into school in school clothes and leave their bags in their form rooms. They will all change after lunch.

Yours sincerely,
Helen Carson and Stuart Edwards
