Embark on an epic journey into the heart of creativity with "Game Dev Legends," a dynamic 4 day course designed for young enthusiasts aged 8-14 who dream of crafting worlds and bringing stories to life. Whether you're a budding designer, a creative thinker, or a future innovator, this adventure is your gateway to the magical realm of game development.

Join us for a course full of exploration, creativity, and fun. Unlock the secrets behind your favorite games, develop your own unique game characters, and prototype a game that could be the next big hit. With hands-on activities, collaborative workshops, and a splash of technology, "Game Dev Legends" is the perfect playground for aspiring game designers ready to step into the game and leave their mark on the world of game development.

DAY 1	DAY 2	DAY 3	DAY 4
